Dear children,

We are excited to introduce a series of books titled "Tarbiyah for Children," consisting of Parts 1 to 9. This series is a journey of learning good manners and etiquette in a fun way.

The purpose of this book "Tarbiyah Part 3" is to teach children good manners in a simple and interactive way through simple and interesting exercises and worksheets. Children will find it interesting, exciting and thought-provoking. It's a great way to impart values education to young minds.

The goal of the Tarbiyah series is to shape young children into better individuals by guiding them in accordance with the teachings of the Quran and Sunnah. The books contain a variety of themes and simple activities that children can do on their own. This series aims to help children develop kindness, compassion, truthfulness, honesty, respect, consideration, and empathy towards others. Additionally, they will learn to manage their anger, exercise self-control, choose their words carefully, and effectively manage their time.

This series is filled with engaging educational activities, captivating worksheets, and vibrant illustrations to keep children involved and enjoying themselves while learning. The children will have a great time participating in the activities. This series will help children learn about the importance of using manners in their daily lives and provide guidance on when and how to use them effectively.

I would like to express my deep appreciation to Mrs. Nikhat Nishat for her invaluable help in editing and proofreading. Her meticulous approach, keen attention to detail, and insightful suggestions have greatly improved the book. I would like to express my sincere gratitude to Ms. Nikhat Sultana, the Academic Coordinator for Islamic Studies at OCEAN ABM School, for her guidance, support, and thorough proofreading. حُذِرِ الْعَفْوِ

Show forgiveness

[Al-A'raf 7:199]

If someone messes up, we should forgive them too. When we forgive, Allah will also forgive us. So, be kind and forgiving, and Allah will give us kindness and love.

Activity 1

One of your classmates by mistake broke your pencil box. Can you forgive your classmate? if yes, how?

Activity 2

Make a sorry card and give it to someone whom you have hurt. (it could be your mother/father/friend/etc)

Activity 3

List down how many mistakes you made today and your mother forgave you for them.

Memorize a poem

Forgiveness is like a friendly hand,
it helps us all to understand.
Let go of hurt, let go of strife,
Forgiveness brings a happy life.
